

April 19-22, 2015—Beau Rivage

CALL FOR PRESENTATIONS

Due Friday, January 30, 2015

The Deep South Section of ITE, in cooperation with the SDITE Technical Knowledge Team, is now accepting abstracts for the 2015 Southern District ITE Annual Meeting, to be held April 19-22, 2015, at the Beau Rivage Resort in Biloxi, Mississippi. Presenting at the 2015 SDITE Annual Meeting is a great opportunity to share your ideas, knowledge, expertise, and innovations with your peers.

We are working to develop an interesting, relevant technical program that is diverse in content and delivery style. Some suggested topics are listed below:

- Traffic Signals, Traffic Operations and Management
 - Traffic Control Devices – Innovative and Effective Applications
 - Transportation and Land Use Policies
 - Traffic Impacts of Development and Redevelopment
 - Access Management
 - Safety Design and Management
 - Pedestrian/Bicycle Planning and Design
 - Freeway and ITS Operations
 - Engineering/Planning Roles in Incident/Special Events/Work Zone Management
 - Disaster Response and Recovery
 - Technology Initiatives for the Future
 - Transportation Professionals as Leaders
 - Training and Mentoring the Next Generation
 - Sustainability of Solutions
 - Intermodal/Multimodal Innovations
- *Student Paper Presentations are highly encouraged. Student Papers will be put in competition for the SDITE “Best Student Paper” Award.*
- *Member submissions in the form of a technical paper will be considered for SDITE “Best Technical Paper” Award (Sponsored and Un-sponsored categories)*

Abstracts should contain the following information:

- Title of presentation or session
- Brief abstract/summary explaining the subject matter (250 words or less)
- Preferred presentation format (e.g., presentation, poster, workshop, etc.)
- Name and contact information of presenter(s)

Please submit your abstract in PDF format via email by January 30, 2015 to sstrength@lsu.edu

Should you have any questions, you may reach Steve Strength, Technical Committee Chair at steve.strength@la.gov (*this is different from the address for submitting abstracts*) or at (225) 767-9118.
